

The  
 Bioethics Program | Clarkson University (CRC)  
 Icahn School of Medicine at Mount Sinai  
 80 Nott Terrace Schenectady, NY 12308 518-631-9860

***Sample Program (4 year option) Clinical Ethics specialization***

A Student in the Dual Degree MS, JD program

Year 1: Normal program for a law student—31 required credits

Year 2: Normal Program for a law student in both Fall and Spring semesters.  
 All students will do the Health Law Concentration and the Bioethics Seminar at ALS,  
 This will satisfy BIE 530: Bioethics and the Law, and the two Electives in the MS in Bioethics.

Summer after year 2: BIE 500: Proseminar in Bioethics at Clarkson CRC and Icahn (one week onsite in Schenectady)

Year 3 One year of Bioethics courses:

Fall Trimester: (Sept-Nov): BIE 510: Biomedical Ethics  
 BIE 590: Clinical Ethics  
 BIE 630: Masters Project I

Winter Trimester: (Jan-March) BIE 520: Health Care Policy  
 BIE 610: On-Line Practicum  
 BIE 640: Masters Project II

Spring: Trimester: (March-June) BIE 620: Onsite Clinical Practicum (1 week at Icahn)  
 BIE 650: Capstone (1 week at Clarkson with one day at Icahn)

June: Clarkson Graduation

Year 4 Normal Program for a law student in both Fall and Spring semesters. (there are usually only a ½ year of courses remaining)  
 (Also will not be doing the traditional Law school upper class writing requirement)

**(12 law school credits will be waived)**

May: ALS Graduation
